CULTURE MANUAL

BRINGING ALL YOUTH - LIFE FAMILY PURPOSE OF GOD
BOLD YTH - BETHANY CHURCH
CULTURE MANUAL - SPRING 2024 EDITION

HEY BOLDYTH FAMILY!

We're so excited that you have decided to join us this semester as we serve the next generation here at Bethany Church! Our heart is to see youth enter into the life, family, and purpose of God for their lives.

Our goal is to see every junior high and high school student disciplined, developed, and deployed. This ministry cares about the Great Commission and seeing revival happen in the lives of our youth. We are thankful for leaders, like YOU, partnering with us to shine the light of Jesus in the darkest of places.

We are glad you have given God your yes! We cannot wait to see what God is going to do in this new season!

MISSION:

WHY DO WE EXIST?

TO BRING ALL YOUTH INTO THE LIFE,
FAMILY, AND PURPOSE OF GOD ☺

WHO WE ARE

IDENTITY:

1. WE LOVE GOD (UPWARD)

We believe that our love for God begins with His love for us. Our lives reflect this in daily devotion, commitment to a life of holiness, and reliance on the Holy Spirit.

2. WE LOVE PEOPLE (OUTWARD)

We believe that ministry is birthed out of a love for people. It's our job to build a healthy community of believers, work together as disciples, and develop others into disciple makers.

3. WE ARE SPIRIT-LED (INWARD)

We believe that the Holy Spirit is our source of wisdom. He guides us to take every step towards holistic living, godly excellence, and devotion to the Kingdom of God.

WHAT DO WE CARE ABOUT?

VALUES:

1. RESILIENT DISCIPLESHIP

We believe that **FIVE** things make up effective discipleship: **1)** an experience and intimacy with Jesus, **2)** forging meaningful intergenerational relationships, **3)** developing the muscles of cultural discernment, **4)** training for vocational discipleship, and **5)** engaging in a counter-cultural mission.

2. INTERGENERATIONAL STEWARDSHIP

We believe in empowering students with the space to gather, to use their voice to speak into the ministry meaningfully, and the power to implement mission safely and effectively.

We believe in equipping young adults to lead by example, disciple intentionally, and facilitate meaningful conversations with students.

We believe that partnering with parents for both presence and participation in strategic capacities throughout our ministry will foster a healthier view of family while strengthening intergenerational relationships within our church.

3. MISSIONAL COMMUNITY

We believe that gathering around an experience with God and forging a healthy community with one another should lead to the sending of young people into glocal (both local and global) missional moments that matter.

WHERE ARE WE GOING?

VISION:

**WE SEEK TO BE
THE EPICENTER OF A
Global Youth Movement
THAT WILL BOTH TRANSFORM
CULTURE AND SOCIETY
THROUGH THE POWER OF
THE HOLY SPIRIT AND
STRATEGIC KINGDOM CREATION.**

DISCIPLE

Squad Nights are the weekly services for BoldYTH students in 8th-12th grade! Each Squad Night is full of powerful worship led by students and leaders, a Word from their campus director, and a fun/dynamic way to connect to students their age in small groups.

Bold57 are weekly services for our 5th-7th grade students. These services are for students to formulate a solid foundation for their faith through biblical lessons that are practical and encouraging in age-specific small groups.

BOLD NIGHT

Bold Nights are campus-wide gatherings that happen twice a semester. Students from all of our Bethany Campuses come together to experience the power of God and are charged with returning to their schools on mission. These are high energy, powerful events that we encourage all of our students to invite their friends to!

DISCIPLESHIP

A WIN FOR EVERYONE

As a Squad Leader, you get the opportunity to walk with students in their faith of who God is and their relationship with Him. A focus on discipleship is key to their journey.

DISCIPLESHIP IN BOLDYTH: SQUAD LEADERS

Discipleship occurs through students being in close relationship with their Squad Leader. This should also occur often outside of our services. When Jesus disciplined His twelve, He brought them close to Him; they walked with Him and ate with Him. We want to take this same approach with our students. As a BGroup Coach, you are on the journey of pursuing God and His purpose for your life. Bringing your students with you in your journey of the pursuit of God is what makes effective discipleship.

DEVELOP

CULTURE TEAM

Culture Team is a team of student leaders who have committed to take their next step in servanthood and are given the opportunity to take on more responsibility in BoldYTH.

CULTURE ACADEMY

Culture Academy seeks to invest in the gifts and talents of our BoldYTH students. In the areas of Music, Media, and Messaging, students have opportunities to sharpen their skills and apply them to ministry.

DEPLOY

Our youth ministry goes outside the four walls of the church in order to advance the Kingdom of God in this generation. This is done through **Jesus Clubs** and **Student-Led Jesus Clubs**.

Jesus Clubs are led and run by leaders from Bethany Church in junior high and high schools across Louisiana. These clubs range from green light schools, that have given us full access to their students for large scale gatherings during school hours, to yellow light schools, that have allowed us in with certain restrictions, and red light schools that we are serving but have yet to establish a meaningful leader to student ministry opportunity.

Student-Led Jesus Clubs are peer-to-peer led groups on campus championed by student leaders from our BoldYTH community. These clubs can range from students meeting with a friend during lunch to talk about God weekly or larger scale gatherings organized and led by students before, during, or after school hours.

✦ BETHANY ✦ YOUNG ADULTS

Bethany Young Adults is the 18-30 community of Bethany church that exists to bring all young adults into the life, family, and purpose of God. Whether you are fresh out of high school looking for your next steps or have recently started a young family, we want to be a community where you can grow, be encouraged, and find your purpose in God.

Our desire is to build a bridge from BoldYTH to BYA by inviting our seniors to begin joining BYA events and gatherings beginning Spring of their senior year. This is our effort to continue to walk with them and see them become the men and women of God they were called to be.

BOLDX 2024 EX

YTH CONFERENCE

BoldX is our annual student conference that consists of a powerful 3-day experience for junior high and high schoolers to participate in passionate worship, impactful Bible teaching, deep spiritual moments, and sessions equipping them to live out a bold faith. This experience will leave teenagers prepared to step into the life-changing power of the gospel and be sent into their schools and communities to lead others to do the same.
